

MAY 8TH
AT ZIA'S IN CHICAGO

Dear Honoring Mothers Breakfast Benefit Sponsor,

Every day, Compass to Care's mission is driven by one simple belief: **no child should miss or delay life-saving cancer treatment because their family cannot afford to get there.** Compass to Care exists to remove that barrier. We coordinate and cover travel (flights, gas, lodging, and logistics) so families can focus on caring for their child, not on how they will make it to the hospital.

This year, we once again invite our community to gather for a morning of hope, gratitude, and purpose at our annual Honoring Mothers Breakfast. It is a time to recognize the extraordinary strength of mothers who show up every single day for their children in the face of unimaginable challenges.

Honoring Mothers Breakfast Benefit details:

Friday, May 8, 2026

9:00–11:00 a.m.

Zia's Social | Chicago, IL

This intimate breakfast will be filled with powerful stories, reflection, and connection, as we celebrate the brave heroes and their families.

We would be truly honored to have you join us as a sponsor of this meaningful event. Your partnership directly supports children and families navigating cancer and helps ensure access to the care they urgently need. Enclosed, you'll find details outlining sponsorship opportunities and the impact your support can make.

If you have any questions or would like to discuss ways to get involved, please feel free to contact us.

Thank you for considering this opportunity to stand alongside families when they need it most and to help ensure that distance is never a barrier to hope.

With heartfelt gratitude,

The Compass to Care Team

About Us

One in five children diagnosed with cancer lives in poverty. While many of those children are living in poverty at the time of diagnosis, some cross into a poverty profile as a result of cancer-related financial toxicity (CRFT).

For these children, poverty is associated with higher rates of relapse and decreased overall survival. Researchers have found transportation to be one of the drivers of poorer survival rates.

What can be done?

Compass to Care is proud to have three distinct nationwide non-emergency medical transportation (NEMT) solutions that directly and immediately remove the transportation barriers to cancer care for children with cancer who are living in poverty. Since our founding 16 years ago, we have funded 1,200 children, 7 million miles, and 45,000 trips.

By supporting families in financial distress and removing the transportation barrier to access cancer treatment, Compass to Care is focused on preventing missed medical appointments and improving outcome for children living in poverty.

Vision

Compass to Care will be known for its transformative travel efforts that reduce the disparities in access to childhood cancer treatment and clinical trials.

Mission

Compass to Care's mission is to ensure children battling cancer and facing poverty or financial challenges caused by their diagnosis can access life-saving cancer treatments and clinical trials through free non-emergency medical transportation..

About The Event

We're thrilled to invite you to the Honoring Mothers Breakfast Benefit in Chicago, a special event celebrating the incredible strength and love of mothers supporting children battling cancer.

Join us as we gather to reflect on the meaningful impact Compass to Care has made in the lives of families over the years and to honor the unwavering dedication of these remarkable women.

Thank you for being part of this heartfelt celebration. We can't wait to share this inspiring morning with you!

POP-UP SHOP SPONSORS

We are excited to host a Pop-Up Shop again this year. All sponsors who want to showcase and sell their products will be promoted on our event materials, website landing pages, newsletter and email campaigns. We will also provide recognition on social media platforms and provide 1 ticket to the event. Pop-Up Shop Sponsors are encouraged to donate back a portion of the proceeds earned at the event.

\$100+ % of Proceeds

In addition to sponsor benefits, you will be helping raise awareness of a critical need in the pediatric oncology community and supporting children who need help as they travel in search of a cancer cure.
