

Helping KIDS fight CANCER one trip at a time.

Compass to Care Child-Karter

COMPASS TO CARE CONNECTION | APRIL 2022

It has been a very busy year, and it is only April 1st! Having a child braving cancer can bring about many challenges, including financial hardship. To have this happen when the world is facing a pandemic and the US is facing a rise in inflation has left many parents without the resources to make all ends meet. As a result, Compass to Care has seen a consistent rise in the number of families seeking Compass to Care's assistance.

Your support is critical during this time. It ensures these families have a place to turn during as they seek a cancer cure for their children.

Thank you for your generosity and for making our mission possible. You are helping to save the lives of our childhood cancer fighters.

DID YOU KNOW? Compass to Care has three nationwide non emergency medical transportation (NEMT) solutions that directly and immediately remove the transportation barriers to access care for children with cancer whose families are facing financial distress?

ACCESS LIFE

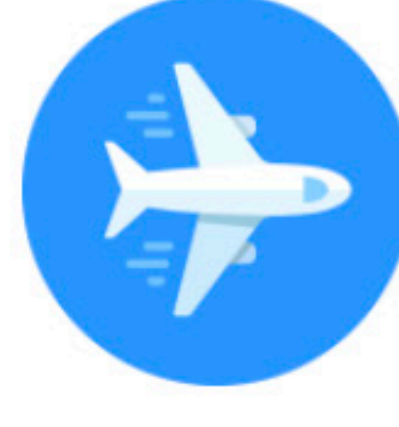

Compass to Care's ACCESS LIFE program covers 100% of all transportation expenses for our beneficiary children and families, including gasoline, parking fees, and train fare.

CARE & BACK

Compass to Care's CARE & BACK™ program utilizes the Uber and Lyft transportation networks to secure safe, reliable, and readily-available transportation for families without access to a vehicle.

FLIGHTS FOR HOPE

Compass to Care's Flights for Hope program fully funds airfare, lodging, and ground transportation so children from impoverished homes can access distant clinical trials or other life-saving cancer treatment.

THANK YOU CHICAGO BLACKHAWKS!!!

Thank you to the Chicago Blackhawks for including Compass to Care at their HOCKEY FIGHTS CANCER night in November 2021 and for donating \$5000 to support our mission and our kids!! This will go a long way in helping our kids access cancer treatment.

OUR PARENTS' VOICES

Your support makes a difference for our families. The best way to feel that support, is through the voices of our parents.

Thank you for believing in our mission and giving these parents relief.

#HopeTravels

Thank you from the bottom of my heart for your generosity during such a difficult time. Prior to learning about Compass to Care, all travel expenses had been going onto our credit card, which was quickly reaching its limit. You have truly made a difference in our lives and we are so grateful to you.
