ABOUT COMPASS TO CARE

The best cancer treatment in the world cannot cure a child if he or she has no way to get to the hospital. For children whose families are facing poverty and/or cancer-related financial toxicity (CRFT), getting to treatment can be a real problem.

OUR VISION Compass to Care will be known for its transformative travel efforts that reduce the disparities in access to childhood cancer treatment and clinical trials.

OUR MISSION The mission of Compass to Care is to provide a free Non Emergency Medical Transportation (NEMT) solution to access life-saving cancer treatment and clinical trials for children fighting cancer and facing poverty or cancer-related financial toxicity.

ABOUT OUR ANNUAL DINNER

Compass to Care's Annual Dinner is held to raise funds to remove the travel barrier for children to access life-saving cancer treatment.

WHEN: Friday, November 3, 2023

WHERE: Carnivale, 702 West Fulton Market Street, Chicago, IL
